Dear Honorable Robert B. Beain

I Sheryl J. Carter object-
objection, disagree with Delphi plan, and
bankruptcy, in United States Bankruptcy
Court, Southern District of New York
She reorganize of Delphi, and the massive
lay-off that I am in of Delphi system of
New collecting unemployed. But I lost out
on \$30,000.00 due to me not giving up my
all my rights with Delphi. That would have
gave up my rights to my claim, etc. The
insurance is not for the best interest
of the employees, but for Delphi. My concern
is what happen to the Arbitration that was
was several years ago of Delphi keeping
me, the employer job til 2011, without a
lay off? There's much more, I just wanted
to brief my concern, and the reason why
I am objecting - objection of the entire
plan, bankruptcy.

Sincerely
Ms. Sheryl J. Carter
